

AGENDA

Ice Drilling Program Subglacial Access Working Group SCIENCE PLANNING WORKSHOP

Sponsor and IDP Executive Director: Mary Albert, Dartmouth

IDP Subglacial Access Working Group Conveners:

Slawek Tulaczyk, University of California Santa Cruz

Jill Mikucki, University of Tennessee - Knoxville

Friday, March 29

Breakfast on your own (provided with room cost)

8:00 Meeting check-in: pre-load your presentations

Opening Remarks

8:30 Welcome Mary Albert

8:35 NSF Remarks Mike Jackson

8:45 Workshop charge, goals & game plan Slawek Tulaczyk & Jill Mikucki

Overview Presentations: *What are the critical & compelling scientific questions?*

9:00-10:00 Short (10-12 minute) presentations

10:00 Coffee Break

10:15-12:00 Short (10-12 minute) presentations

12:00 Lunch provided for registered participants

Short Topical Presentations: *Future subglacial drilling projects – what are your aims?*

13:00-14:00 5-minute “pitches” (1 slide)

14:00 Priority Wall

For the subglacial realms and for the coming decade, participants will post 5 key questions on the Priority Wall pertaining to subglacial access drilling.

14:45 Breakout group discussion for each realm

What are the key priorities for subglacial research? What common science themes and common geographic footprints can we identify? Divide the whole group into break-out groups defined by realm or environment, for discussions and preparation of a group presentation.

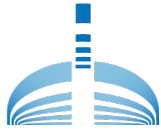

16:30 Reports from break-out groups

Summary presentation from each break-out group from the major realms, identifying the key science questions driving the research, and identifying associated geographic areas of interest, timelines, and required drilling technologies.

17:15 **Round-table discussion** of goal, priorities, and compatibilities – common ground? Shared footprint our resources?

17:50 **Summary of the day and action items** for tomorrow

18:00 Meeting adjourned for the day

SATURDAY MARCH 30

Breakfast on your own (provided with room cost)

- 8:00 **Meeting convenes**
- 8:15 **Recap of yesterday and goals** for the morning – Slawek Tulaczyk & Jill Mikucki
- 8:30 **Whole group discussion** – questions and comments
- 9:00 **Breakout Group work** – white paper writing time for each breakout group
- 10:15 **Breakout Group summaries** – report on each draft white paper (10 mins each)
- 11:00 **Whole group final discussion** – open mic
- 11:45 **Electronically submit draft breakout group white papers** to conveners
- 11:50 **Meeting summary** and next steps – Mary Albert
- 12:00 **Meeting adjourned**
