

# Science Advisory Board of the Ice Drilling Program Office

Mary Albert & Howard Conway

Virtual meeting April 22, 2014

# Ice Drilling Program Office

---

## Science Advisory Board

Sridhar Anandakrishnan

Ryan Bay

Ed Brook

Howard Conway

Dorthe Dahl-Jensen

Karl Kreutz

Jill Mikucki

Ross Powell

Jim White

# Meeting Goals

---

- Sharing updates relevant to SAB and IDPO-IDDO activities
- Discussing new ice drilling technology needs
- Discussing ideas for future community projects requiring ice drilling
- Discussing updates already in, and still needed for, the Long Range Science Plan (LRSP)
- Begin prioritization of technology investments for IDPO-IDDO that will be in the new LRSP
- Identify another date for SAB business meeting

# Key dates for LRSP

---

Draft#1 LRSP on the Icedrill site by 30 April.

IDPO invites community comment/input on 2 May (community input deadline 16 May).

Mary sends draft#2 to SAB for comment by 23 May.

Any other SAB edits to Mary by 6 June.

Mary sends final to SAB for approval by 16 June.

Mary sends new LRSP to NSF before June 30.
